All Junior and Young Rider members of CDS are eligible to qualify for one of these Championships. You must be a member of CDS at the time you achieve the scores and the scores must be from the current competition year. The two highest tests at each level will be ridden at the Championship. Juniors and Young Riders are eligible at all levels. The CDS Junior Team Championships are held in conjunction with the Junior Championships. There is no pre-qualification process but participating juniors must be members of CDS.
