

REGIONAL CDS CHAPTER ADULT AMATEUR COMPETITION RULES & GUIDELINES

Mission:

The mission of these competitions is to provide an opportunity for all CDS Adult Amateur riders to qualify and compete against others of similar skills and experience. The regional nature of these shows will help provide our membership with a developmental path to gain competitive experience, to promote excellence and increase awareness of and support for CDS Chapters.

Goals:

#1 – For the riders: These competitions will provide a positive show experience at the Regional level, AND for some, a stepping stone to bigger things. They will offer the more experienced amateur riders a warm-up for the Championships Show.

#2– For the Chapters: These regional or “mid” level adult amateur competitions are designed to promote and enhance awareness and participation in CDS Chapters, provide State level support in funding and advertisement and offer a chance to generate funds at the Chapter level.

#3 – For the whole organization, these competitions will bridge the gap between the local Chapter shows with individual year end awards programs and the top caliber competition found at the Annual CDS Championship Show.
