

california dressage society

Dear Patron

The California Dressage Society would like to enlist your help. We need your help to guarantee that CDS programs, education, scholarships and award recognitions are well funded for the coming years.

Thousands of members and hundreds of shows and clinics create the infrastructure of CDS. To keep this vital structure evolving and progressing, your support is needed. Philanthropic support is essential for CDS to continue to be able to create new programs and educational events for all its members. CDS has created this Patron of Dressage Fundraising effort to insure existing programs are supported and new educational events can be launched. As it looks to the next 49 years, CDS is seeking new and innovative ways to build revenue, reduce expenses and build a better CDS.

Please consider a donation in addition to your CDS membership to help CDS provide dressage education and scholarships to dressage riders in CDS. All donations are welcome and appreciated. All donors will be listed in the Roster as well as on the website as a Supporter or Patron of Dressage. CDS is a 501(c) 3 and donations are tax deductible.

Help CDS celebrate 49 years of dressage inspiration, this year and for many more years to come.

Thank you for your donation,

Kevin Reinig, CDS President

Ellen Corob, CDS Vice President
